

Milanoo Holds "Zombies Fancy Being Sexy" Promotion

Written by Australian Business

CHENGDU, China, Sept. 29, 2013 /PRNewswire/ -- Halloween is coming again! Are you still worried about what to wear for this special festival? Looking for something scary with sex appeal? Don't worry. Chengdu's famous e-commerce website Milanoo is holding a large-scale promotional activity online -- Zombies Fancy Being Sexy -- with record discounts for you. A sea of costumes designed for Halloween will be on sale during the festival. You can make yourself stand out with great ease. Come on, act now.

The promotional activity is aimed at making you shine during this special festival once you are dressed up as a sexy zombie with a unique personal style. It can afford you an image totally different from the one you had previously.

Milanoo offers a good variety of products for Halloween. There are over 10,000 kinds of ghoulish, frightening yet sexy costumes for adults, and more playful ones for children. It is very easy to change your image for the festival. Milanoo designer Etienne stressed that Milanoo has been trying to blend sexy and individual elements in apparel design, and it never stopped its pursuit of fashion. Costumes for Halloween will also express our ideas about a new lifestyle. Zombies can also appear scary yet sexy.

Milanoo serves as a global online themed clothing shopping mall with English, French, German, Japanese, Italian, Spanish, Portuguese and Russian language websites. Its business covers over 180 countries and regions, and its products are distributed to 170 countries and regions across the world. The company has online retail operation teams, professional apparel stylists, data warehouses and stable supply chain systems. It offers over 100,000 kinds of products, including wedding dresses, animation costumes, tights, women's shoes and bags, necklaces, accessories, home furnishings and outdoor goods.
