

NEW YORK--([BUSINESS WIRE](#))--Telsey Advisory Group, LLC (TAG), a pre-eminent equity research, trading, banking, and consulting firm, concluded its 4th Annual Fall Consumer Conference, a leading investor conference that featured companies across sectors, ranging from apparel and footwear to broadlines retail, cosmetics, financial services, food services, lodging, grocery, hardlines retail, Internet, luxury, media, restaurants, sporting goods, and specialty retail.

The conference took place on September 24-25, 2013, at the Intercontinental Hotel in Times Square in New York, NY, with CEOs, CFOs, and other senior-level executives from more than 60 leading consumer companies. A record number of institutional investors attended the conference.

“As we approach the crucial holiday season, companies are dealing with a number of strategies and omni-channel approaches to drive consumer traffic,” said Dana Telsey, CEO and Chief Research Officer of Telsey Advisory Group. “Through the discussions with a diverse group of companies, institutional investors and industry experts participating in our conference, we gained a deeper insight into the evolving consumer landscape. We greatly value their active participation.”

TAG’s 4th Annual Fall Consumer Conference offered a variety of panel discussions and presentations that addressed today’s issues pertaining to the macro environment, digital commerce, the housing cycle, social media, and real estate:
