

Voluntary Recall Of Limited Quantity Of SVEDKA Vodka In North Dakota

Written by Australian Business

NEW YORK, Oct. 4, 2013 /PRNewswire/ -- SVEDKA Vodka is initiating a voluntary recall in North Dakota due to a defect in a very small quantity of 1.75 liter clear glass bottles of 80-proof vodka (non-flavored). The bottle defect can result in a small piece of loose glass settling in the bottom of the bottle.

While there have been no consumer complaints or injuries, out of an abundance of caution, SVEDKA requests consumers who have purchased a 1.75 liter clear glass bottle of 80-proof SVEDKA Vodka at retail locations, stamped with one of the bottling codes below, between Saturday, September 28

th

and

Thursday, October 3

rd

, to immediately notify Consumer Affairs at 877-766-2033 or promptly return the bottle to the retailer for a full refund or replacement.

The affected bottles are stamped with one of the following codes: G13262, G13263, G13264, G13265, G13266 or G13267.

For consumer inquiries, please contact 877-766-2033.
