

BIRMINGHAM, England--([BUSINESS WIRE](#))--Enzymedica is introducing BeanAssist™ into the UK & Eire. BeanAssist™ includes the enzyme alpha-galactosidase which is found in beans, grains and vegetables. BeanAssist™ eases digestion of carbohydrates which are known to cause occasional bloating and indigestion.

Enzymedica's GlutenEase™ has won top honours in Better Nutrition Magazine's 2013 "Best of Supplements" awards. The awards will be formally announced in the November 2013 issue of Better Nutrition Magazine.

To celebrate these successes www.enzymedica.co.uk is offering discounts to all consumers and trade accounts, including special pricing on DigestGold™. This offer ends on **Friday 15th November.**

For more information on GlutenEase™, BeanAssist™ or DigestGold™, and / or any other Enzymedica products please visit www.enzymedica.co.uk
