

RIVER VALLEY, Singapore, Nov. 2, 2013 /PRNewswire/ -- Prestige Global Designs specialises in crafting luxury interior designs and seeks to impress those who appreciate the splendour of life.

We specialises in crafting **Luxury Interior Designs** for residences, show suites, hospitality and offices.

At Prestige Global Designs, we seek to **impress** those who appreciate the **splendour** of life. Therefore, a **Promise of Quality and Craftsmanship** is the top priority for us.

There's a certain **science** to design as we seek the **perfect balance** between **pragmatism** and **aesthetics**
- not unlike chemical equilibrium.

A **great design**, exuding **Luxe** and **Prestige**, is as much **science** as it is **Art** - you can't do without **Intuition**
in **Visual Organisation**
.

We undertake projects in Singapore & Overseas.
