

OPGI Announces Holiday Sale Catalogs

Written by Australian Business

SEAL BEACH, Calif., Nov. 22, 2013 /PRNewswire-iReach/ -- New 2013 holiday parts catalogs are now available from Original Parts Group Incorporated (OPGI), the leading provider of reproduction GM restoration parts, complete with thousands of in-demand restoration parts and accessories up to 25% off their regular price. OPGI's new holiday sale catalogs are available by motor division: Chevrolet, Pontiac, Oldsmobile, Buick and Cadillac. From interior and body parts to engine parts, sheet metal, bright trim and everything in between, the OPGI 2013 holiday sale catalogs present the largest array of in-demand restoration parts, accessories and great gifts offered anywhere. In addition to big holiday savings, OPGI offers many ways to make shipping more affordable to valued customers with innovative software and processing systems to reduce the shipping and handling costs across the board and pass the savings on to customers. The new 2013 holiday sale catalogs are available as e-catalogs at the OPGI website. Original Parts Group, Inc. is your GM restoration and performance source! Celebrating 31 years of manufacturing and retailing top quality restoration parts and accessories, OPGI is recognized as the nation's number one supplier and manufacturer of classic GM parts and is committed to maintaining that reputation for years to come. For more information, visit OPGI.com or call toll free: 1-800-243-8355.
