According to reviewsitnow.com, there are three Canon cameras that top the list to buy during the sale events. The first camera to be announced is, the **Canon EOS Rebel T3i 18 MP CMOS Digital SLR Camera**. This camera is easy to use and all digital processing can be completed on the camera itself.

The second camera to be announced is, the **Canon EOS 6D 20.2 MP CMOS Digital SLR Camera with 3.0-Inch LCD**. This camera is quiet and has a full frame for capturing pictures and videos. Users of this camera are able to share pictures with friends and family easily with the Canon Image Gateway feature.

The last camera to be announced on the site is, the **Canon EOS 70D 20.2 MP Digital SLR Camera with Dual Pixel CMOS AF**. This camera allows users to take pictures quickly, so that many pictures can be taken in a short amount of time.

According to reviewsitnow.com, all Canon Cameras will have reduced pricing during the Cyber Monday deal event. All cameras will come with a warranty. "Any of these cameras would be a great gift to give to the photographer in your family. Customers can come to our site to see all the reviews on these cameras and to see the information regarding the deals," says a

reviewsitnow.com representative.
