

Harvest Vapor™ Launches New Line of Ultra Premium Flavored E-Liquids

Written by Australian Business

SAN JOSE, Calif.--([BUSINESS WIRE](#))--Harvest Vapor™, makers of a new line of e-cigarette juices, introduces their first four introductory flavors of premium e-liquids.

Four new artisan e-juice blends provide the most authentic, premium taste available in the e-juice space.

Flavors include: Virginia Tobacco, providing smooth, classic tobacco flavor; American Blend Tobacco, a traditional blend with robust tobacco flavor; Dark Fruit, a fresh blend of wild berries and rich figs; and Coffee, featuring bold roast flavor, a coffee lover's delight.

Harvest Vapor™ e-liquids are now available for purchase at an MSRP of \$19.95 per 15mL bottle with nicotine strength of 5%.

New Harvest Vapor™ e-juice flavors are made using the finest ingredients and are blended to deliver the optimal experience. Each flavor comes in a convenient dropper bottle for ease of use.

Harvest Vapor™ e-liquids are made and bottled in the U.S. and deliver the finest e-juice experience available on the market today.

Adults 18 years and older are invited to visit www.HarvestVapor.com to learn more and to purchase.
