DENVER--([BUSINESS WIRE](#))--Tickets are still available the Sheraton Denver Downtown Hotel's New Year's Eve *Party with a Purpose* benefitting Colorado flood relief efforts

The ticket price is \$149 per person, including tax and gratuity, an open premium bar, four-course plated dinner, party favors and beautiful décor. (Guests must be 21 or older with ID to consume alcohol.)

This party promises to be different than a traditional hotel New Year's Eve party as the evening will be filled with activity, from enjoying an elegant dinner with entertainment by a Latin jazz band, abundant premium brand cocktails and wines, to entertainment and dancing throughout the evening.

Funkiphino, the headline band for the party, is a 13 piece energy funk band that infuses explosive horn lines, old-school organ sounds, pumpin' bass and intoxicating vocal harmonies. Funkiphino has been the band of choice for the 55th Presidential Inaugural Ball in Washington, DC. The band's excellence has earned them nominations and spots as Best Funk Band from Westword Magazine and Marquee Magazine as well as being the "go-to" band for the Denver Bronco Association and government officials.
