

LOS ANGELES--([BUSINESS WIRE](#))--BRAVADA International Ltd. (www.OnlyLeggings.com) (Pink Sheets:BRAV) announced today that it has released the next generation of its online leg fashion superstore, OnlyLeggings.com. The code for the new OnlyLeggings.com has been designed with the latest CSS and HTML protocols and has optimized CSS and html elements making page loads faster, enhanced SEO components, streamlined product display and user interfaces as well as displaying real time product availability by size and color on the screen for the customer.

Upgrading OnlyLeggings.com is part of BRAVADA International's strategy in developing a large proprietary online [women's fashion](#) network which will include VivaVuva.com, WorldofLeggings.com, its newly released DressesExpress.com, as well as a number of additional ecommerce websites soon to be released. All CSS / HTML is done in-house by CEO Danny Alex maintaining a near zero cost of designing and launching new websites. DressesExpress.com employs a similar strategy as OnlyLeggings in that it specializes in women's dresses and includes everything from [mini dresses](#)

, [maxi dresses](#)

, [basic dresses](#)

, [sexy dresses](#)

and more.

"This upgrade to OnlyLeggings.com is one of the components in fully implementing our online women's fashion network which is currently in development," replied CEO, Danny Alex. "This is a large project and we shall provide shareholders additional information on our proprietary women's fashion as the individual parts are released and go live so as to protect trade secrets."
