This release contains forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. The

matters discussed in this news release involve estimates, projections, goals, forecasts, assumptions, risks and uncertainties that could cause actual results or outcomes to differ materially from those expressed in the forward-looking statements.

All statements in this news release that are not purely historical facts are forward-looking statements, including statements containing the words "intend," "believe," "estimate," "project," "expect" or similar expressions.

Any forward-looking statement inherently involves risks and uncertainties that could cause actual results to differ materially from the forward-looking statements.

Factors that would cause or contribute to such differences include, but are not limited to: the risk that the Company will be unsuccessful in gauging fashion trends and changing customer preferences; the risk that changes in general economic conditions, consumer confidence, or consumer spending patterns will have a negative impact on the Company's financial performance; the highly competitive nature of the Company's business in the United States and internationally and its dependence on consumer spending patterns, which are influenced by numerous other factors; the Company's ability to respond to the business environment and fashion trends; continued acceptance of the Company's brands in the marketplace; and other risks.

The Company discusses certain of these factors more fully in its additional filings with the SEC, including its last annual report on Form 10-K and quarterly report on Form 10-Q filed with the SEC, and this release should be read in conjunction with those reports, together with all of the Company's other filings, including current reports on Form 8-K, through the date of this release.

The Company urges you to consider all of these risks, uncertainties and other factors carefully in evaluating the forward-looking statements contained in this release.

Any forward-looking statement is based on information current as of the date of this document and speaks only as of the date on which such statement is made, and the Company undertakes no obligation to update these statements to reflect events or circumstances after the date on which such statement is made. Readers are cautioned not to place undue reliance on forward-looking statements.
