

Fleetmatics to Report Second Quarter 2014 Financial Results

Written by Australian Business

Dublin, Ireland and Boston, Massachusetts--([BUSINESS WIRE](#))--Fleetmatics Group PLC (NYSE: FLTX), a leading global provider of mobile workforce solutions for service-based businesses of all sizes delivered as software-as-a-service (SaaS), today announced that it will report financial results for the second quarter ended June 30, 2014 after the close of the market on Wednesday, August 6, 2014.

In conjunction with this report, Fleetmatics will host a conference call on August 6, 2014 at 5:00 p.m. Eastern Time to discuss the company's second quarter 2014 financial results and other matters, as well as provide guidance for the third quarter and full year 2014. To access this call, dial +1-888-481-2864 (domestic) or +1-719-325-2381 (international) with conference ID # 8681119. A live webcast of this conference call will also be available on the investor relations portion of the company's website at ir.fleetmatics.com, and a replay will be archived on the website as well. A replay of the conference call will also be available through August 20, 2014 by dialing +1-877-870-5176 (domestic) or +1-858-384-5517 (international) with conference ID # 8681119.

About Fleetmatics Group PLC

Fleetmatics Group PLC is a leading global provider of mobile workforce solutions for service-based businesses of all sizes delivered as software-as-a-service (SaaS). Our solutions enable businesses to meet the challenges associated with managing local fleets, and improve the productivity of their mobile workforces, by extracting actionable business intelligence from real-time and historical vehicle and driver behavioral data.

Fleetmatics Group's intuitive, cost-effective Web-based solutions provide fleet operators with visibility into vehicle location, fuel usage, speed and mileage, and other insights into their mobile workforce, enabling them to reduce operating and capital costs, as well as increase revenue. An integrated, full-featured mobile workforce management product provides additional efficiencies related to job management by empowering the field worker and speeding the job completion process – quote through payment. As of March 31, 2014, Fleetmatics served approximately 23,000 customers, with approximately 472,000 subscribed vehicles worldwide.
