Written by Australian Business

LAS VEGAS, Sept. 16, 2013 /PRNewswire/ -- Diamond Resorts International® (NYSE: [DRII](#) "Diamond Resorts") a global leader in the hospitality and vacation ownership industry, today announced the winners of their "Great Escape" Sweepstakes.

The latest Diamond Resort's sweepstakes stirred up a lot of excitement. The grand prize, a \$25,000 valued, all-expense paid, 14-day trip for two to any of over 300 Diamond Resorts locations around the world was won by David C. of Corona, California . David was randomly chosen out of 52,000 entries.

David originally thought he'd like to vacation in the Caribbean, but winning the sweepstakes expanded his thinking. "I am so excited to be selected as the winner! Diamond Resorts has always given me great vacation experiences, but now I can really take my family somewhere amazing. Thanks Diamond!" said David. "We want to go somewhere tropical, but with some night-life; we love to do local activities and sight-see, but also would love to get some spa treatments – I guess now we can do it all!"

Diamond Resorts also awarded a special \$1,000 prize to the person who "shared" the most social media postings about the sweepstakes. The winner was Ron M. of Dayton, Ohio , a familiar figure in the winner's circle; Ron has won cash, computers, cars and cruises over the years and been profiled on television many times. He knows his way around a sweepstakes, and through his efforts he helped spread the word about Diamond Resorts and this incredible opportunity.

There were also 250 lucky winners of a complimentary 3 day/2 night vacation getaway,
