

How Travel Insurance Applies for the Nairobi Mall Attack, Says Squaremouth

Written by Australian Business

ST. PETERSBURG, Fla., Sept. 27, 2013 /PRNewswire/ -- The terrorist attack at the Westgate mall in Nairobi on September 21st resulted in over 175 injuries and 62 deaths. Though authorities now have the situation under control, travelers may be reconsidering trips to the nearby area.

Squaremouth compiles position statements released from each of their 23 travel insurance providers. A position statement defines the way an insurance company categorizes a particular event. Squaremouth continuously updates its documentation as events unfold and insurance companies release new position statements.
