

Peaks of Otter Lodge Re-Opens

Written by Australian Business

BEDFORD, Va., Oct. 12, 2013 /PRNewswire/ -- Delaware North Companies Parks & Resorts is thrilled to announce the re-opening of Peaks of Otter Lodge effective noon Saturday, October 12

. The restaurant will open with a limited menu for dinner service. The shuttle to Sharp Top Mountain will not be operating as all National Park Service services remain closed. We would like to thank our employees and our guests for their support and loyalty.

Our employees are excited to get back to work serving guests and creating memorable experiences. Fall is a beautiful time to visit Peaks of Otter Lodge and we look forward to continuing a successful first season as operators.

Peaks of Otter Lodge is located on the Blue Ridge Parkway - an open and gate-free commuter road. Because of its unique position, we were able to re-open the iconic and popular property just in time for the best views of fall foliage. The Lodge is open through December 1.

Shenandoah National Park, among other national parks where Delaware North operates, remains closed due to the government shutdown. We remain hopeful for a resolution.
