

Logan Airport Parking - Park and Fly program

Written by Australian Business

BOSTON, Oct. 25, 2013 /PRNewswire-iReach/ -- [Boston Parking](#) is pleased to offer an innovative [Park and Fly program](#), which company representatives state is the "best deal ever" for frequent travelers. The program offers parking deals for frequent flyers that provide a better value, increased accessibility, and an overall better traveler experience with new frequent flyer parking privileges.

The plan enables [Logan Airport parking](#) customers to receive the highest level of service at affordable rates. Boston Parking has set pricing at \$20.00 /weekday, and \$10.00 /weekend day for travelers' entire length of stay, when a coupon is presented. In addition, a private business shuttle to and from Logan airport is available at a fixed rate of \$25.00 each way.

Company officials advise that service must be arranged 24 hours in advance and a valid airline confirmation is required.

Contact Boston Parking at (617) 222-3042 for booking and more information.

Visit our website for more information and great [Logan Airport Parking rates \(www.proparkboston.com\)](#)).
