

HONG KONG, Oct. 28, 2013 /PRNewswire/ -- Mandarin Oriental Hotel Group announced today that it will offer its exceptional high-speed internet service on a complimentary basis to guests who create an online profile and book published rates through the luxury hotel company's website [mandarinoriental.com](http://mandarinoriental.com).

Creating an online profile ensures that guests' preferences and needs are better met across the portfolio. Booking accommodation at rates published on [mandarinoriental.com](http://mandarinoriental.com) also benefits guests, as the Group promises that rates offered online are the [best available](#) anywhere. If a better rate can be found it will not only be matched, but guests will receive a further 10% reduction.

In return, guests can enjoy complimentary access to exceptional on-line connectivity via superior bandwidths for up to six personal devices at every participating Mandarin Oriental hotel worldwide.

"At Mandarin Oriental we pride ourselves on providing exceptional service, and in this digital age, we understand that fast internet connections are essential. With the added benefit of being able to seamlessly connect up to six devices in the comfort of their room, our guests can work comfortably and efficiently," said Michael Hobson, Mandarin Oriental Hotel Group's Chief Marketing Officer.

As an extension, guests who book Mandarin Oriental's *Best Available Rate* via selected travel agency partners will also receive complimentary high-speed internet access.
