

GIBRALTAR, November 11, 2013 /PRNewswire/ --

Aspire Global; the leading operator of scratch & instant games sites online has announced that its flagship gaming site Karamba.com has undergone an extensive makeover.

As the world's leading provider of slots 'n fun, Karamba.com now sports a catalogue of quality NetEnt games. This software gaming provider is best known for creating 3D animated casino games with high quality animation and audio-visuals. In addition, the jackpots provided by NetEnt casino games have been known to payout millions of dollars. Gaming titles include Gonzo's Quest, Jack and the Beanstalk, Starburst and many more.

In tandem with the new range of games on offer, Karamba showcases a new design comprising an easy-to-navigate platform, with user-friendly features. The main attractions are displayed prominently with full animation to boot. A mobile gaming section caters to iPhone and Android users and the list of featured games displays the most popular slots games at Karamba.com

The user interface has been setup to provide for quick and easy navigation across each of the listed gaming categories. These include slots, instant games and scratch cards. Players are rewarded with a combination of welcome bonuses, and ongoing promotions on the slots games. Karamba.com features as a leading [online slots](#) site with many unique attractions. Players can enjoy superhero slots, themed slots, jackpot slots and classic 1 line slots.

### 20 Free Spins to New Players

As an added enticement to players, Karamba.com is offering 20 free spins to players. These can be enjoyed with extra special rewards available at the VIP Club. The loyalty program at Karamba features multiple tiers from Novice, to Player, to Enthusiast, to Star, Superstar, Champion, and VIP.

## Aspire Global: Karamba.com Gets Major Overhaul
