

LOS ANGELES, Dec. 26, 2013 /PRNewswire/ -- Those in colder climates hightailing to sunny Los Angeles for a sunny vacation from the winter chill may be wondering which [Los Angeles cab](#) to use when making their way around the city. After all, while other major cities such as San Francisco or New York City offer plenty of options for public transportation like the subway or light rails, visitors to Los Angeles primarily get around town with the superior transportation offered by the [taxi cab Los Angeles](#) calls first - Beverly Hills Cab Co. Whether on a business trip or pleasurable vacation, Beverly Hills Cab Co. is the [cab Los Angeles](#) residents themselves choose over other cab services for its low prices, friendly service and quick yet safe trips.

Los Angeles tourists often face delays when traveling in the carpool lane on the Metro freeways, but there is less of a gamble involved with recruiting multiple rides from Beverly Hills Cab Co., so vacationers can enjoy a full day of soaking up culture, shopping or fine dining in the city. By placing a single call, a customer can easily get speedy service and a taxi that will be swiftly dispatched to LAX, a hotel, shopping center, or other engagements. Instead of renting a car, Los Angeles tourists can really relax when and enjoy their trip with a designated driver at the wheel by taking Beverly Hills Cab Co. to their events.

Beverly Hills Cab Co. has more than 40 years of experience, and our cabbies have extensive knowledge of the historic landmarks and locations of Los Angeles, they're able to navigate the city easily and safely, while catering to their customers' needs to get around town as quickly as possible in a congested city such as Los Angeles

. A carefully planned trip by our Beverly Hills Cab Co. drivers ensures riders get to their destination as quickly as possible and arrive on time to their travel destinations. Even if the out-of-towners needs to get to places such as doctor's appointments, the airport or grocery store, Beverly Hills Cab Co. will provide the superlative transportation customers expect from a
