*The First BetCoin™ Game to Accept Litecoin Is Now Mobile-Compatible!*

[BetCoin™ Bitcoin Entertainment Network](#) continues to dominate the Bitcoin gaming industry by delivering another world-class BetCoin game to their fleet with a sleek animated slot machine called "BetCoin™ Reels". BetCoin's latest release, which is their eighth release to date following the release of [BetCoin™ Prize](#) Bitcoin Lottery - the world's largest Bitcoin Lottery, has managed to create a mobile-compatible online slot machine that features an intuitive and user-friendly design that can be accessed from any mobile platform. This fully mobile HTML5 web app was designed to offer the best features of mobility, along with an enjoyable gaming experience that BetCoin Entertainment players have come to expect without compromising their gaming experience.

[BetCoin™ Reels](#)

is now offering iPad and Android users great payout action with a chance to win up to 1000x their bet!

James Mason, BetCoin™ Bitcoin Entertainment Network COO's assistant, has recently announced the Bitcoin industry leader will soon support a wide variety of other alt-coin currencies including Litecoin, Primecoin, and Namecoin. [BetCoin™ Reels](#) is the first BetCoin Entertainment game to accept Litecoin credits. BetCoin Entertainment is currently updating their entire gaming platform with the popular Litecoin currency options for gaming enthusiasts, and will soon be offering other major alt-currencies to their customers. This unique online crypto-currency is becoming a serious online digital currency contender that is shaking up the system. Some obvious advantages of this popular peer-to-peer crypto-currency include fast confirmations that notify a recipient regarding payment and the ability to process unlimited transactions without incurring additional fees.

Litecoin has received mainstream media coverage from the Wall Street Journal, The New York Times and CNBC.

With the international rise of Bitcoin exploding since its debut four years ago and the reliable and popular services it offers, BetCoin™ has become an established icon of the Bitcoin gaming market by implementing full Bitcoin integration and investing significant resources into the crypto currency economy. Over 150 million dollars in Bitcoin currency has been paid out in winnings from the successful and popular [BetCoin™ Circle](#)

, [BetCoin™ Dice](#)

and

[BetCoin™ Casino](#)

along with 1,200 Bitcoins (over USD 1 million

) awarded in free monthly prizes in only four months.

BetCoin Entertainment has proven to promote responsible gambling by educating users through [BetCoin™ Wiki](#) and [BetCoin™ Board](#). Users are provided with information and knowledge that will help them experience Bitcoin with a thorough understanding of the currency platform.

Future plans include the release of additional HTML5 games and a roll-out of a complete mobile web app casino that will support a variety of alternate currencies in 2014. Soon, BetCoin Entertainment fans will be able to play all of their favorite casino games on their Android, iPad or iPhone devices. Also in the not- too-distant future BetCoin Entertainment will be pleased to offer an exciting new affiliate program to their customers... More news will be announced in the next few days.

BetCoin™ Entertainment Network's mission to become the best Bitcoin entertainment portal and network in the world by maintaining leadership through constant innovation and rapid growth is a goal that is quickly becoming a reality.
