MANCHESTER, England, January 24, 2014 /PRNewswire/ --

This weekend's combined **totescoop6** pools are set to top £750,000 after both funds were not won at Haydock last Saturday.

The bonus pot, which has not been landed since August 31, stands at £536,356, whilst a total of £95,248 has carried over in the win fund.

Tomorrow's **Scoop6** takes place from Cheltenham and Doncaster, with four legs shown live on Channel 4.

**tote** spokesman Andrew Griffiths said: "With the chance of earning a tilt at the £500,000-plus bonus fund on offer, we're expecting some serious interest in tomorrow's **Scoop6**."

**Betfred** boss Fred Done will also be dangling a £50,000 carrot for any **Betfred** shop customer who is lucky enough to find all six winners. The bonus will be shared if there is more than one winner.

The **totejackpot** is at Cheltenham tomorrow and the **totetrifecta** rollover race will be the Sky Bet Chase (3:15 Doncaster).
