About Le Méridien Hotels & Resorts Le Méridien, the Paris-born hotel brand currently represented by nearly 100 properties in more than 40 countries, was acquired by Starwood Hotels & Resorts Worldwide, Inc. (NYS: HOT) in November 2005. With more than 80 of its properties located in Europe, Africa, the Middle East, and Asia-Pacific, Le Méridien provided a strong international complement to Starwood's then primarily North American holdings at the time of purchase. Since then, Le Méridien has gone through a brand re-launch, which included a large scale hotels product consolidation as well as redefining its brand strategy. Through creation of the LM100 artist community, Le Méridien has transformed numerous guest touch points, thus bringing unique, interactive and curated experiences to its guests.
