) Exotic Caye Resort on Ambergris Caye in Belize is offering another vacation package deal for a limited time, May 15 - June 2, 2014, exclusive to Groupon shoppers.

The first package is a four-night stay for two travelers in one of Exotic Caye's standard beachfront rooms or at one of Grand Baymen's newly built condos with a garden view.

These rooms include modern amenities like cable TV, high-speed Internet, laundry facilities, maid service, air conditioning and full kitchens. With a value of \$370, this opportunity is perfect for a long weekend getaway.

The second package includes a five-night stay for two travelers in a standard room as well as a snorkel trip to the nearby marine park of Mexico Rocks or guests can go to "shark and stingray alley," a legendary concentration of biodiversity. Travelers who opt for this Belize vacation package receive a \$535 value for a fraction of that cost.

The third and most valuable vacation package includes a seven-night stay for two in a standard room as well as the excursions that come with the five-night stay. This package has a total value of \$730.

All three of these vacation packages come with value-added amenities that further enhance their worth. These amenities include round-trip ground transfers from the airport in San Pedro or from the watertaxi docks. Thanks to Exotic Caye's legendary flexibility, travelers have the ability to combine additional travel vouchers to extend their stay for as long as 21 days.

During their stay, travelers who [take advantage of Exotic Caye's Groupon deal](#) also have access to local adventures such as touring an extensive collection of Mayan ruins, a half-dozen
