We are grateful for their support in bringing Summer Swim to the Ulster County community.

The Town of Rosendale has been working for the last two years to raise funds from state and private funders, in addition to many local fundraising events, for the rebuilding of the pool, and anticipates it may reopen as soon as the summer of 2015. "We are close to our goal and look forward to starting construction the new pool soon. We are also grateful to the Williams Lake Project for offering our area residents a place to swim, while continuing to help us in our remaining fundraising efforts," said Supervisor Jeanne Walsh.

All net profits from admission fees and sponsorships will be donated to the Rosendale Pool fund.
