

News Booster - Business promotion package deal

Promote your business, service, product or event with a 5 star premium Business Connections publicity package.

At Business Connections, the business launcher pack incorporates the services of a website builder, a public relations firm, social media marketers, SEO people, journalists and a group buying site in one low cost package.

The large volume of these packages that we produce enables us to lower the price for our proven customer awareness booster. Now, the Business Connections promotion package is \$500.00 for 10 x 600 word articles that are great for SEO as well. That is just \$50.00 each
