

## The Rug Lady Has Sold Approximately 15,000 Rugs

Written by Hayley Agius

---

The Rug Lady is proud to announce the achievement of selling over 15,000 rugs online as they prepare to celebrate their fourth birthday in June.

The company is synonymous with high-quality area rugs predominantly in the Australian market.

They are poised to become Australia's number one choice for high-end decorative area rugs at affordable prices.

With access to some of the best handmade and machine-made rugs from across the globe, The Rug Lady provides its savvy customers with a wide range of rug options to choose from.

### The Expertise

The company has been steadily gaining thousands of savvy rug loving customers right across the country.

With over 20 years of experience in the rug trade, the company is considered one of the premier

[online rug stores](#) in Australia.

The company loves what they do, and they are passionate about their work. That's why they have been able to sell so many area rugs in such a little time.

They acquire and stock many exclusive types of rugs from across the globe. Most of these pieces are unique to their store.

The company has a creative and innovative design team who is always on the lookout for new inspiration when it comes to designing area rugs.

The company is able to provide the most competitive prices because they deal directly with manufacturers.

This means that The Rug Lady offers you the absolute best value for money when buying rugs.

### The Company

The Rug Lady employs some of the top experts in the rug industry.

The company is owned and operated by an Australian entrepreneur and has over 20 years of experience in the rug trade.
