Hobart Slicer

Slicing nowadays is handled by machines that offer a good slicing performance, whether you slice a vegetable, cheese, or meat. These machines handle everything with ease. These slicers make your heavy-duty slicing task precise and simple. The Borazon sharpening stones help you in keeping the knife honed to precision. These machines are easy to handle and provide you a little time to spend on your next awesome dish.

This machine has many parts that can be changed as and when required. The NBS manufacturers can make your task easy by providing you with all the replacement parts for your Hobart Slicer. These parts include:

Slicer Blade

Meat Grip Assembly

Hobart Slicer Index Ring

Hobart Slicer Thumb Screw

Deflector

Plate Holder for Vegetable Slicer Attachment

Slicer Worm Wheel

Carriage Tray

Shredder Plate

Carriage Thumb

Center Blade Guard Slicer

Meat Grinder Knife Blade

Meat Grinder Chopper Worm Auger Fibre

The Hobart Slicer Are Of Various Types

Heavy-Duty Slicer- These slicers provide high quality cutting with precision.

Portion Scale Slicer- It is Hobart's latest innovation that features an unified precision scale. This slicer reduces the need of using two pieces of equipment i.e. a slicer and a scale separately.

Slicing Accessories- To increase the flexibility of your equipment Hobart offers optional accessories that help in an even cleaner cut.

All these parts are available on the NBS website, in order to enjoy the best services, order your replacement parts, and be a smart user.
