

Leading provider of cloud-based talent management solutions showcases two new modules that help improve communication, collaboration and coaching within organizations

OTTAWA, Oct. 4, 2013 /PRNewswire/ - [Halogen Software](#) (TSX: HGN), a leading provider of cloud-based talent management solutions, will be offering live demonstrations of two new products - the Halogen Myers-Briggs® module and its 1:1 Exchange™ module - at next week's HR Technology Conference & Exposition in Las Vegas

. Both modules introduce innovative ways for organizations to improve communication, collaboration and coaching among their workforces.

WHO: Halogen Software **WHAT:** Demonstrations of two new Halogen products

1. See familiar faces from the HR industry in demos of the Halogen Myers-Briggs module

A dozen HR analysts, media and bloggers attending the conference have shared their Myers Briggs assessment results as part of the Halogen demonstration. Attendees can view these personality types to see just how they can be compared in the product in order to improve communication and collaboration.

Participants include industry thought leaders from:

- Bersin by Deloitte
- Fistful of Talent
- IDC
- HRU Technical Resources
- ITM Group

- The Starr Conspiracy
- Forrester Research
- Unbridled Talent
- LRP
- Great Place to Work Institute
- HRxAnalysts

2. Learn how to build a strong coaching culture through effective one-on-one meetings with Halogen's new 1:1 Exchange module

See how Halogen's new 1:1 Exchange meeting module makes it easy for managers and employees to review and update goals and development plans and share feedback and recognition — all in one place.

WHERE & WHEN: Halogen booth (#1311) from Monday, October 7 - Tuesday, October 8
Halogen Vendor Demo (DEMO ROOM 2) Tues, Oct 8
12:30 - 1:30 p.m. PT

About Halogen Software
