

FirstEnergy Announces Webcast

Written by Australian Business

AKRON, Ohio, Jan. 17, 2014 /PRNewswire/ -- Executives from FirstEnergy Corp. (NYSE: [FE](#)) will conduct a webcast on Wednesday, January 22, at 8:30 a.m. EST to discuss the company's 2014 earnings guidance and strategic outlook. President and Chief Executive Officer Anthony J. Alexander, Senior Vice President and Chief Financial Officer James F. Pearson, and Vice President of Investor Relations Irene M. Prezelj will participate.

The live webcast will be available by clicking the *2014 Earnings Guidance and Strategic Outlook* link on FirstEnergy's investor information website, www.firstenergycorp.com/ir.

The webcast will be archived on FirstEnergy's website.

FirstEnergy is a diversified energy company dedicated to safety, reliability and operational excellence. Its 10 electric distribution companies form one of the nation's largest investor-owned electric systems, serving customers in Ohio, Pennsylvania, New Jersey, West Virginia,

Maryland

and New York. Its generation subsidiaries currently control more than 18,000 megawatts of capacity from a diversified mix of scrubbed coal, non-emitting nuclear, natural gas, hydro, pumped-storage hydro and other renewables. Follow FirstEnergy on Twitter
