- Alexia Loehde is an experienced esthetician with over 12 years experience. Alexia will begin offering her services at

[Santa Barbara Dental Spa](#)

on Tuesdays beginning October 1, 2013.

Alexia Loehde has traveled the world researching and practicing the most innovative and newest technology for the treatment of anti-aging and acne. She has a background in nutrition, which goes hand in hand with optimal dermal care. "Our dental office is excited to align with Alexia Loehde," said Dr. Rai, [Santa Barbara Dentist](#). "Alexia's credentials are impeccable, and she has demonstrated the ability to help our patients at the highest possible level."

If you're seeking information about cosmetic [dental treatment costs](#) ; for example what [lumineers cost](#)

or the average cost of porcelain veneers, Santa Barbara Dental Spa is the area's premier relaxation dentist and can help you decide on a

[dental treatment plan](#)

that fits your budget.

Santa Barbara Dental Spa is committed to providing patients the best oral health care and a beautiful smile utilizing the latest technology in a soothing, spa atmosphere. Dr. Rai of Santa Barbara Dental Spa routinely treats many patients with bite problems including grinding of teeth as well as mouth reconstruction including crowns, bridge work and cosmetic implants.
