ROCKY RIVER, Ohio, Sept. 20, 2013 /PRNewswire/ -- [Organic Spa Magazine](#) is collaborating with Oprah to bring readers and viewers clips from the new season of "Super Soul Sunday" and a sneak peak from its debut episode.

On *Organic Spa Magazine's* website and homepage, [www.organicspamagazine.com](http://www.organicspamagazine.com), viewers can get a preview of the first episode, where Oprah sits down with Oscar-nominated actress and best-selling author Mariel Hemingway and her boyfriend, eco-adventurer Bobby Williams, to explore mind-body-spirit wholehearted living.

In the interview the couple discusses how to lead a simple, vibrant, and more balanced life, and share the inspiration behind their new book *Running with Nature*, and Mariel's film *Running from Crazy*, coming to theaters soon. Hemmingway and Williams show us how to tap into our soul's mission and cultivate a life filled with fun, love, laughter, and adventure.

The new season of the Emmy Award winning daytime series features in depth interviews with celebrities, CEOs, spiritual leaders, and best selling authors. Oprah explores spirituality and mindfulness through engaging one-on-one interviews that are both inspirational and unique.

Throughout the series, clips and sneak previews from "Super Soul Sunday" can be accessed on [Organic Spa Magazine's website](#). New clips will be posted weekly; go to [organicspamagazine.com](http://organicspamagazine.com) for access and to view the latest from "Super Soul Sunday."
