CareFlite, founded in 1979, is America's oldest joint use air medical program. In addition to its air medical program, CareFlite operates five 911 systems, extensive ground ambulance operations stretching from Stephenville to McKinney, wheel chair vans and fixed wing air ambulance. CareFlite is sponsored by Baylor, JPS, Methodist, Parkland and Texas Health Resources. As of 6/30/13, CareFlite had transported over 700,000 patients since beginning operations on 10/1/79. Its Caring-Heart Membership program has over 200,000 members. More information is available at www.careflite.org.
