TSX Exchange Symbol: **RVX**

CALGARY, Oct. 3, 2013 /PRNewswire/ - Resverlogix Corp. (the "Corporation") (TSX:RVX) today announced that, at its annual and special meeting of shareholders held on October 3, 2013, each of the six nominees proposed as a director and listed in its management information circular dated August 21, 2013 (the "Information Circular") were elected as directors. Proxy voting results for each nominee are set out below.

	Votes For	Votes Withheld	% For	
Donald J McCaffrey	32,555,972	142,114	99.57%	
Peter Johann	32,587,972	108,783	99.67%	
Kelly McNeill	32,565,972	130,783	99.60%	
Arthur Higgins	32,592,512	104,243	99.68%	
Kenneth Zuerblis	32,589,072	107,683	99.67%	
Eldon Smith	32,598,772	97,983	99.70%	

At the meeting, shareholders were also asked to consider a resolution to approve anti-dilution adjustment provisions contained in certain outstanding common share purchase warrants of the Corporation, as more particularly described in the Information Circular. The warrant adjustment resolution failed to obtain approval from shareholders.
