

B. Braun Forms New Subsidiary in Canada

Written by Australian Business

BETHLEHEM, Pa., Oct. 4, 2013 /PRNewswire/ -- B. Braun Medical Inc. (B.Braun) announced today that it has formed a new subsidiary company in Canada, which will operate under the name "B. Braun of Canada, Ltd."

B.Braun is pleased to announce that Bob Comer will serve as President of the Canadian company. In his new position, Bob will be responsible for leading the newly-formed Canadian company and will be focused on establishing a greater sales and marketing presence in Canada. The newly-established Canadian headquarters will be located in Mississauga, Ontario.

"Our newly formed subsidiary will enable us to work more closely with customers and Group Purchasing Organizations across the country," said Bob Comer, President, B.Braun of Canada, Ltd. "We are committed to growing our Canadian business and providing our customers with quality products and services that they have come to expect from B.Braun."

About B. Braun

B. Braun Medical Inc. (B.Braun), a leader in infusion therapy and pain management, develops, manufactures, and markets innovative medical products and services to the healthcare industry. The Company is committed to eliminating preventable treatment errors and enhancing patient, clinician and environmental safety.
