Physicians is always the ideal choice.

Prior to any surgical procedure, there are many factors to take under consideration. However, when one is undergoing a cosmetic plastic surgery, there is an even greater need for medical professionals that are true masters of their craft. After all, the results of a cosmetic procedure should not simply be satisfactory—they should be stunning. That's why it comes as no surprise that so many residents of Southern California and individuals from across the globe have come to trust the network of board certified specialists at BHP —a team with over 100 years of combined medical experience.

While the BHP team consists of specialists in nearly every field of health and wellness—including physicians, dentists and aestheticians

— it is their many options for world-class plastic surgery where the BHP difference is most evident. Not only do their surgeons bring exceptional knowledge and skill to each patient they treat, but their medical specialists also illustrate an artist's eye for beauty, and utilize timeless principles of aesthetics to reshape their patient's features in ways that are nothing short of extraordinary.

Whenever a person chooses to embrace the potential in their life by undergoing a plastic surgery procedure, some degree of anxiety is perfectly natural. That's why, at BHP, every member of the staff is dedicated to providing a calm, comfortable experience through stellar,

sincere patient support and luxurious spa-like facilities. Further still, comprehensive concierge services are even offered to their many out-of-town patients who have come in search of the best cosmetic surgery experience possible.

At Beverly Hills Physicians, they understand that beauty is an essential aspect of a contented life. That's why the goal of their surgeons is never simply to enhance one's appearance, but to restore self-confidence as well, ensuring each individual is able to make the most of the opportunities in their lives. Whether you're curious about cosmetic, reconstructive or medical plastic surgery, or any other specialties offered by the network of experts at Beverly Hills Physicians, contact them for a free initial consultation.

Upcoming Girls Night Out Event with Beverly Hills Physicians:

The third annual Girls Night Out Fashion event put on by *Ventura Blvd Magazine* will be on Thursday October 17th at the Skirball Cultural Center. Beverly Hills Physicians is honored to be a sponsor of the event, which will raise funds for the local Valley Breast Care Foundation. This continues BHP's charitable endeavors this October in honor of National Breast Cancer Awareness Month.

Beverly Hills Physicians will also be collecting gently used bras at the event to donate to the Bra Recyclers, which donates them to women in need. Similarly, a portion of the cost from all breast augmentation procedures performed at BHP this month will also be donated to the Valley Breast Care Foundation. To stay updated about these activities and more, check out BHP's website at www.beverlyhillsp Physicians.com or call them at 800-788-1416.
