

Local Hialeah Gardens Dentist Goes Digital for Patient Education and Paperless Charts

Written by Australian Business

(PRLEAP.COM) Hialeah Gardens, FL - Victor J. Dongo DMD, FAGD makes his practice patient-friendly by providing informative resources on his website and eliminating the medical chart paper trail.

Implant and cosmetic dentist, Victor Dongo, DMD, FAGD, has announced the addition of new, patient-focused digital methods for educating and tracking guests. Dr. Dongo's newly-launched website aims at educating the community about good oral health and contains many interactive features, including educational videos on dental procedures and a free Smile Analysis feature. These features help patients make informed decisions about their oral health. The website also utilizes extensive search engine optimization techniques to reach patients and local consumers who are searching for relevant information about Hialeah Gardens, Florida cosmetic and implant dentistry services.

[Dr. Dongo](#) believes in the value of making sure all of his patients are informed about preventive, cosmetic, and implant services for their education and comfort. He explains, "It is important for new patients to learn about their dentist before their first visit or consultation. It allows them to obtain valuable information about the kinds of procedures and treatments available based on the doctor's specialties, which ultimately makes them feel comfortable with their doctor and the practice."

Current and prospective patients now have access to information about sedation dentistry for anxious guests, [educational videos](#) , preventive techniques for good oral health, and other informative content when they visit the website. Some of Dr. Dongo's services include:

Implant Dentistry Cosmetic Dentistry Sedation Dentistry Periodontics In addition to the launch of his website, Dr. Dongo's office has eliminated paper charts in favor of electronic charts. This switch allows easy access to records and reduces the amount of paper used to track patient health and services. For the guest, documentation can be processed quickly and easily, minimizing the amount of time they spend waiting before or after a visit.

"We live in an age of technology where traditional paper processing and education by pamphlet is becoming less common. The digital resources we offer help our patients make good decisions about their oral health and allow them to move quickly and comfortably through our office for procedures.

About Victor J. Dongo, FAGD Dr. Dongo has been practicing for 15 years and established his cosmetic and implant dentistry practice in 2001. He is a fellow in the Academy of General Dentistry, a member of the American Academy of Implant Dentistry, and of the Dade County Dental Research Clinic and Community smiles. Focusing on [de](#)
