

Seattle Cosmetic Surgeon Dr. Mangubat Launches New Website

Written by Australian Business

Seattle, Washington November 26, 2013 [Health News](#) ([PRLEAP.COM](#)) Dr. Tony Mangubat and the staff at La Belle Vie Cosmetic Surgery Center are pleased to announce the release of their updated website, located at www.labelleviecosmetic.com

. The new website is designed to offer more comprehensive information to current and prospective cosmetic surgery patients throughout Seattle and Bellevue, WA.

La Belle Vie Cosmetic Surgery Center's new website features an intuitive navigation to help visitors to the site find the information they need quickly and easily. The website offers a wealth of information on the various breast, body contouring and facial plastic surgery procedures provided by Dr. Mangubat, including breast augmentation, tummy tuck, liposuction and face lift surgery. Individuals can learn about the risks, benefits and recovery period for these procedures and can also browse through testimonials of former patients to get an idea of the kind of results they can expect.

Another useful area of the website is the before and after photo gallery, which provides a glimpse into the typical results that Dr. Mangubat is able to achieve. Patients who visit the website will also find a frequently asked questions section and a costs section so they can get as much information as possible prior to their consultation at Dr. Mangubat's Seattle cosmetic surgery practice.

In addition, website visitors can read about Dr. Mangubat's education, training and experience to get a better idea of his qualifications as a cosmetic surgeon. The website can also be used to schedule a free consultation at La Belle Vie Cosmetic Surgery Center's Bellevue or Seattle locations.

Dr. Mangubat and his staff hope that all of these modifications will provide a one-of-a-kind experience to their patients and provide the support patients need outside of the office.
