) Bergenfield, NJ - Dr. Steven Sura, Dr. James Park, Dr. Michael Ayoub, Dr. Shahram Lashgari and Dr. Rachna Thakker to provide full-service dental care and personalized treatment plans at new facility.

Dr. Steven Sura, Dr. James Park, Dr. Michael Ayoub, Dr. Shahram Lashgari and Dr. Rachna Thakker are pleased to announce the relocation of The Dental Way's office to 359 South Washington Avenue in Bergenfield, NJ. The Dental Way offers general dentistry, preventive care, children's dentistry, and specialty care services, including [orthodontics](#), oral surgery, periodontics, and endodontics. Relocating the practice's office was important to enhance the dental health care experience for patients in a new technologically advanced atmosphere at a more convenient location.

The Dental Way's new office, now more visible and convenient, features a number of improvements aimed at providing patients with the best possible dental care and experience. In addition to a more comfortable and spacious waiting room, the new office features seven treatment rooms in 2000 square feet of space and includes new dental chairs and new state-of-the-art equipment. The new equipment and larger office space helps the doctors and their staff at The Dental Way to continue to provide patients with the best in comprehensive dental services.

[Dr. Park](#) stated, "We are thrilled about the move. The new office has 500 additional square feet which has allowed us to make our treatment rooms larger and more comfortable for our patients. And, the new upgraded and advanced dental technology helps us serve the Bergenfield community better. We are proud to show our patients the new office, while continuing to offer them the same patient-centric service we've been known for."
