

( [PRLEAP.COM](http://PRLEAP.COM) ) **Tijuana, Mexico** – Dr. Andrey Shakov is pleased to announce the launch of his updated plastic surgery website, located at [www.interestetica.com](http://www.interestetica.com). The updated website provides current and potential patients with vital information about plastic surgery at Dr. Shakov's state-of-the-art practice in Tijuana, Mexico.

Dr. Shakov has updated his website in an effort to better serve patients from throughout the United States and the world who are travelling to Tijuana for plastic surgery. He understands that travelling for plastic surgery can seem like a daunting experience, but he is proud to offer patients the safest and most effective treatments to make the trip well worth it. His new website features in-depth information about his state-of-the-art facility, including safety information, details about travelling from abroad and more. Website visitors can also read more about Dr. Shakov's extensive medical training and experience – information that can help patients feel at ease about travelling for plastic surgery.

In addition to offering information about the practice, the new website offers educational information on each of the breast, body contouring and facial plastic surgery procedures that Dr. Shakov performs. Over the years, he has built a reputation as a top breast augmentation, tummy tuck and liposuction surgeon. He also offers a number of reconstructive procedures, including breast cancer reconstruction and burn reconstruction, and is pleased to accommodate the unique needs of reconstructive surgery patients.

Lastly, website visitors can get an idea of the patient experience at Dr. Shakov's practice by reading through testimonials and viewing before and after photos. Dr. Shakov hopes that providing all of this information will help patients be ready to take the next step of scheduling a consultation either via Skype or at his practice.
