

Dr. Shakov Launches New Online Marketing Campaign for Mexico Plastic Surgery Patients

Written by Australian Business

(PRLEAP.COM) Dr. Andrey Shakov, a premier plastic surgeon in Tijuana, Mexico, is pleased to announce the release of his updated website, located at ww.interestetica.com

. The website changes are part of a comprehensive online marketing campaign designed to make Dr. Shakov's practice more accessible to patients in Mexico and the United States.

One of the most substantial additions to Dr. Shakov's website is new information about the procedures that he offers. Website visitors can learn all about the benefits, risks and candidacy for all of the surgical and minimally invasive procedures Dr. Shakov offers, including [breast augmentation](#), tummy tuck, liposuction, facelift and more.

Patients who are interested in pursuing cosmetic surgery in Tijuana can also learn more about Dr. Shakov's qualifications as a plastic surgeon, including his education, fellowship training, and practice experience. This information can help potential patients feel comfortable about their decision to travel for plastic surgery.

Other information available on the website includes before and after photos, testimonials from patients who have been treated by Dr. Shakov and answers to the most frequently asked questions about plastic surgery. Dr. Shakov and his experienced, professional team hope that disclosing all of this information will help encourage patients to take the next step and contact his practice at 1-800-404-9496.

More about Dr. Shakov Dr. Shakov is a board certified plastic surgeon in Tijuana, Mexico who has years of experience helping men and women achieve their aesthetic goals. At his modern practice, he offers the very latest and safest aesthetic treatments including breast augmentation, body jet water liposuction, [tummy tuck surgery](#) and more.
