

Houston Plastic Surgery Dr. Bob Basu Releases New Website

Written by Australian Business

(PRLEAP.COM) May 10, 2014 - Premier plastic surgeon Dr. Bob Basu and the entire staff at Basu Plastic Surgery are pleased to announce the release of their upgraded website, located at www.basuplasticsurgery.com . The new website is a comprehensive and engaging resource for men and women throughout Houston, Katy, The Woodlands, and Conroe, TX, who are considering plastic or reconstructive surgery.

Basu Plastic Surgery's website features intuitive navigation, making it easy for website visitors to find the information they are looking for. It also includes in-depth information on each of the cosmetic and reconstructive procedures Dr. Basu provides, including breast augmentation, tummy tuck, liposuction, body lift, breast reconstruction and more. Website visitors can get answers to some of the most frequently asked questions about these procedures - straight from the doctor - by viewing the many educational videos on the site.

Another popular area of the website is the [before and after photo gallery](#) where patients can see the real results that Dr. Basu has been able to achieve for his former patients. This comprehensive gallery can help patients understand what surgery can and cannot achieve, and can help them feel comfortable about pursuing plastic surgery with an experienced surgeon such as Dr. Basu.

The "about" section of the website offers in-depth information on Dr. Basu's education, training, experience and accolades. It also features information on the staff at Basu Plastic Surgery and the practice's state-of-the-art surgery center. Men and women considering surgery with Dr. Basu can also read reviews and handwritten testimonials of former patients to get an idea of what they will likely experience at Basu Plastic Surgery.

Lastly, the website makes it easy to schedule a consultation with Dr. Basu, or stay up to date on specials and the latest events going on at the practice. Patients from out of town can conveniently schedule a [virtual consultation](#) before travelling for surgery.
