

Glendale Practice Urgent 9 - Urgent Care Center Delivers Up-front Prices

Written by Australian Business

(PRLEAP.COM) GLENDALE, CALIF. — Urgent 9 makes plain the prices of the services at the urgent care facility, a move the organization feels will better serve individuals no health insurance or a universally accepted health plan, according to representative from the organization.

When your condition isn't an immediate threat to your life, you may wish compare prices in addition to quality of service. Urgent 9 lays it all out online, detailing all of their services and the amounts the costs.

Trips to the emergency room for issues that aren't an immediate threat to your life can see you bumped to the back of the queue as the hospital devotes resources to the patients with the most critical conditions. In addition to long wait times, you're also have to wait until you receive a bill to learn just how much your visit to the ER has cost you.

"We're open every day of the week, and we're ready to provide urgent care Glendale CA residents with great convenience," stated Urgent 9's website. "When you need assistance, you don't need to make an appointment. While we recommend calling before non-emergency illnesses, we access patients on a first-come, first-served basis."

At Urgent 9, doctor visits start at \$89, according to the organization's website. You can find a full listing of the organization's services on their website, so there will be no surprises after you've received medical attention.

Urgent 9 - [Urgent Care Glendale CA](#) encourages citizens to visit them for a variety of serious issue that aren't an immediate threat to life, according to the organization's website. Some of the conditions the urgent care facility addresses include broken bones, muscle strains, flu, pneumonia, cuts, burns, rashes, pain, nausea, vomiting , diarrhea, urinary tract infections, sexually transmitted diseases, stated the website.

At Urgent 9 accepts both insured and uninsured individuals and patients can usually see doctors in less than 30 minutes after arriving at the center, according to the organization's website.

"With in-house diagnostics and x-rays, Urgent 9 can relieve acute illnesses quickly and
