

Carmel, Indiana Dental Practice Launches Updated Website

Written by Australian Business

(PRLEAP.COM) **Carmel, Indiana, May 13, 2014** - – Smiles in the Village Dentistry has just announced the launch of their updated website located at www.carmelsmilesdentist.com. The site is part of a recent marketing campaign featuring new and improved functions that will provide a better overall experience to current and potential patients.

The campaign has been put in place to make information about the practice's procedures more easily available to patients of Carmel, Indiana. [Dr. Yuval Arazi](#) and his staff are very eager about the recent changes and are encouraging new and existing patients to explore the site.

Smiles in the Village Dentistry offers a wide array of dental procedures. As a top family dentistry practice, patients can find professional dental cleaning, orthodontic solutions and a variety of cosmetic dental treatments. The dentists have extensive experience with dental veneers, dental bridges, [dental implants](#) and teeth whitening. For those who are a bit uneasy when visiting the dentist, Smiles in the Village dentistry offers sedation dentistry to make your experience less stressful.

Patients can schedule a personal consultation with Dr. Yuval Arazi by phone, or online through the site's easy-to-use contact form.

More About Dr. Arazi Dr. Yuval Arazi is a certified dentist specializing in sedation dentistry. He is well trained in providing dental treatments that are pain free. Dr. Arazi is an Associate Fellow of the American Academy of Implant Dentistry and a diplomate of the American Board of Oral Implantology.
