– Drs. Raj and Insiya Zanzi recently moved their dental practice to Roseville to better support dental care for their growing patient community.

[Insiya Zanzi, DDS and Raj Zanzi, DMD](#) are dental experts who specialize in family-friendly and cosmetic dental treatment. They have recently re-located their office from Lincoln, CA to Roseville, CA, in an effort to provide the best oral care possible for their ever-growing patient family.

Dr. Insiya Zanzi states, "At our new office, we will continue to offer the same modern, high-quality care that our patients have come to expect. Our Roseville, CA location affords us the space and opportunity to continue to grow so we can serve more members of our community with the dental care they need."

Twelve Bridges Dental's office is centered around dental treatments that are modern in approach and ensure patient comfort at all times. Their Roseville, CA location features televisions in all operatories, as well as massage chairs, complimentary refreshments, and hot towels. Their high-tech dental services are aided by digital x-rays and intra-oral cameras and include clear braces from Invisalign® and restoration of lost and extracted teeth with [dental implants](#).

"The best way to serve our patients is to give them dental treatments that are cutting-edge and convenient, as well as to provide them with the comforts of home, which is why we offer relaxation with massage chairs and refreshments. We're truly excited to share our new space with our patients," Dr. Raj Zanzi adds.
