

(PRLEAP.COM) July 16, 2014 - Alejandro Lopez, MD, a premier weight loss surgeon and owner of Specialized Bariatrics, Inc., attends one of the most influential bariatric conferences in Mexico. Dr. Alejandro Lopez attends the Mexican Association of Surgery for Obesity and Metabolic Diseases (CMCOEM) 16th conference. The CMCOEM offered a comprehensive conference on obesity, metabolic and bariatric conference during 9th through 12th, July 2014 in Leon, Guanajuato, Mexico.

By attending the conference, Dr. Alejandro Lopez was kept abreast of all the latest advancements and information in the world of obesity and metabolic disorders. At the forefront of bariatrics, Specialized Bariatrics, Inc. prides itself on attacking the ever-rising epidemic of overweight and obesity at all ages through education, knowledge and experience.

Dr. Alejandro Lopez is committed to the eradication of obesity and continuing education in bariatrics and medicine. [Dr. Alejandro Lopez is the chief surgeon of his bariatric surgery team](#) which also includes Dr. Jacqueline Osuna and Dr. Salvador Ramirez.

Dr. Alejandro Lopez along with Dr. Salvador Ramirez plan to attend two additional bariatric and obesity conferences in the upcoming months: Annual ASMBS Meeting at ObesityWeek 10th -14th of September in Austin, Texas and XIX World Congress IFSO 2014 26th - 30th of August in Montreal, Canada.

About CMCOEM Started in 1995 under the original name of Mexican Society of Obesity Surgery, the society was created to better understand and treat overweight and obese patients. The Secretary of Health requested the society to help address the issue of the obesity epidemic in Mexico, what developed was a paper authored by the Mexican Society of Obesity Surgery which formed as the basis for the official guidelines of obesity and obese patients for the Mexican government. In 2006, the society changed their name to the Mexican College for the

Surgery of Obesity and Metabolic Diseases.
