( [PRLEAP.COM](http://PRLEAP.COM) ) Miami, FL - Design Ur Gift, a leading online vendor of custom gift baskets, is excited to reveal a new gift basket for sale on its website. The impressive Toast of California wine basket features two California wines, as well as caviar and a variety of cheeses, crackers, and biscuits.

The Toast of California wine basket is one of Design Ur Gift's best offerings yet. It feeds sophisticated tastes with California wines of Soda Creek California Chardonnay and Jericho Trail Proprietary Red Wine. The gift also features rosemary and roasted garlic crackers, French camembert cheese spread, caviar, and several other delicacies that are sure to bring a smile to the gift recipient's face. On top of that, the gift basket itself is a gorgeous woven banana leaf basket with a satin ribbon.

Of course, one of the most compelling features of a Design Ur Gift gift basket is the fact that it can be personalized. According to a spokesperson for the company, "We have a huge selection of pre-made custom gift baskets for any occasion, as well as [personalized gifts](#) that you can build yourself for that special someone." From sympathy baskets to holiday gift baskets of all kinds, there's always something meaningful available from Design Ur Gift to gift friends and family.

About Design Ur GiftFor many years, [Design Ur Gift](#) has done its best to offer a huge selection of high quality custom gift baskets for all occasions. As a premier provider of both pre-made and custom gift baskets, the online vendor is a perfect choice for people who want to give thoughtful gifts for any occasion. With great customer service and affordable pricing, there's never been a better time to look into gift baskets for friends and family.
