

Country Living Premiers New Website

Written by Australian Business

(PRLEAP.COM) Denver, PA - Country Living Primitives, the PA based online country furnishing store, has launched a brand new website - CountryLivingPrimitives.com. The premier of the new site coincides with the introduction of the Lt. Moses Willard line of lighting products to the Country Living Primitives inventory of country lighting, furniture and accessories.

Commenting on her company's new website, owner and sole proprietor of Country Living Primitives LLC, Jan Martin said, "The new website now allows customers to post and read product reviews to help them make an informed lighting choice." Shoppers visiting Country Living's website will find many helpful upgrades in their new, well-designed web store, all of which makes for a helpful and convenient experience for anyone interested in purchasing or learning more about country decor.

"The new website also allows visitors to our online store to sign up for our newsletter, which will give them access to the latest information about our new products and special discount coupons," added Ms. Martin.

The launch of the new Country Living Primitives website couldn't have come at a better time as the company has just added a brand new line to their impressive collection of country lighting - Lt. Moses Willard fine lighting. Lt. Moses Willard uses the finest materials available to handcraft the best in colonial, early-American and primitive lighting products. Following in the footsteps of Lt. Moses Willard, who gave up the life of a soldier to take up the tools of a master tinsmith more than 200 years ago, master craftsman in Milford, Ohio design and create every piece for each light in this collection with careful strokes of paint and snips of tin that flawlessly reflect the skill of this gentle and gifted man.

Shopping on Country Living's new website is now more convenient and efficient than ever. "The new website gives our customers the ability to create a new account quickly and easily and then to track the progress of their purchase with updated tracking information," said Martin. For those customers who rather shop on eBay, Martin also notes, "Simultaneously with the launch of our new website we also opened an EBAY store, "CountryLivingPrimitives," for those who prefer to purchase via EBAY."

The new Country Living Primitives website is a full-service country decorating shopping center complete with their extraordinary inventory of lighting products, furniture, accessories, decorating tips, shopping information and a quick and convenient online checkout payment and shipping service. From antiques and primitives to braided rugs, picture frames and seasonal gift items, Country Living Primitives is a [one-stop country décor store](#) .
