. We started the challenge with 127 fans on Facebook. As of August 1st we had 231 fans (likes). We further pledged \$1,000 if our LIKES surpassed 200 by August 1st.

We were so delighted to see people joining in, commenting and helping us promote this campaign. We surpassed our goal of 200 LIKES and a check for \$1,000 is being sent off to Independence Fund this week.

The Independence Fund is an entirely 100%, all-volunteer non-profit whose Board of Directors is comprised entirely of combat veterans. 501(c)3. The Independence Fund believes that for the complete physical and emotional healing of severely injured veterans to occur it will take the unified effort of governmental, corporate and private entities all working together towards a common purpose. Donations help fund efforts to provide the tools, therapies and guidance for veterans who were severely injured in the Line of Duty.

Brezden Pest Control's donations are aimed at helping veterans obtain ["track chairs"](#), which can cost \$12,000 or more for one chair. These track chairs mobilize disabled veterans and provide them with a whole new outlook on their life.
