

Lenoir Empire Furniture Sale: Hancock and Moore Austin High Back Sofa

Written by Australian Business

(PRLEAP.COM) Johnson City, TN - [Discount furniture retailer Lenoir Empire Furniture](#) is currently featuring a sale on its Hancock and Moore Austin high back sofa. The sofa has a seat height of 20", a total height of 41", and provides three full seats.

Looking a little more closely at the sofa's dimensions, it's clear that it will seat almost anyone comfortably. With a depth of 21" and a width of 73", three people can comfortably recline on the sofa, making it a good choice for the living room or social space. Additionally, while the Austin high back sofa is a strong piece of furniture in its own right, can be accompanied by the Austin high back loveseat, Austin sleep sofa, Austin full recline sectional, or Austin full recline sofa. Hancock and Moore furniture is made to the highest degree of quality, and the company offers customized upholstery and finishes. The sofa also comes with an extended warranty from Lenoir Empire Furniture. The company gives customers a cost-effective policy that protects them in the case of damage or ruin to their new sofa. Especially with the current discount on this particular sofa, purchasing a warranty may be a good idea in order to minimize risk.

Though Lenoir Empire Furniture is featuring its Austin high back sofa as a sale item, the company also offers a wide range of other furniture. Hancock and Moore has a significant collection at the company's stores, but LEF gives customers a choice by carrying numerous other brands, as well: Century Furniture, Bernhardt Furniture, Thomasville Furniture, and many others all sell their merchandise through LEF. Sofas are not the only game, either: as stated by a company spokesperson, "Lenoir discount furniture store offers a full selection of living room, dining room, bedroom, office and entertainment furniture as well as mattresses." With sales, a range of brands, and numerous types of furniture, LEF gives customers many options during their shopping experience, as well as extending the option to have that furniture delivered to the customers' homes.
