and commercial pest control. Brezden is proud to have grown into the premiere pest control company in and around San Luis Obispo County. Founders John and Maria Brezden know there is much more to comfortable living than just making sure homes are free of unwanted pests.

Once the company has performed its [ant control](#), rat control, bird control, or other services, property owners frequently want to take additional steps to make their environment feel warm and comfortable again. The local pest control company often works closely with painting companies to protect and beautify San Luis Obispo homes, inside and out.

In an attempt to ensure home and business owners have access to the best painting services, Brezden Pest Control reviewed several local painting companies. The company wanted to make sure that any painting company it recommends has a strong reputation and provides outstanding customer service.

The final selections were based on level of experience, overall customer satisfaction, and concern for creating a beautiful setting. After a thorough review process, Brezden chose The Brushworks Painting Company, Browder Painting and Elite Painting & Wall Covering as their [favorite painting companies](#)

"We work hard to be the premier pest control company in and around San Luis Obispo County," said owner, John Brezden. "That's why we only recommend the best companies to our
